

Summer Term Creative Activity

Choose an activity from the table below. You can work independently, with a family member or with a group of friends. You have all term to complete as many tasks as you like.

Have FUN!

<p>Year 1 & 2</p> <p>Our theme this term Holidays.</p>	<p>Design a new brochure cover for your chosen holiday destination.</p> <p>Think carefully about to images and colours you use to design this.</p>	<p>Design and make a costume for a main character!</p> <p>Make sure this costume matches the weather from your holiday destination.</p>
<p>Can you make or design a vehicle that may be used to travel to and from your holiday destination?</p>	<p>Can you design a postcard to send to your friends back home to show them how amazing your holiday is?</p>	<p>Can you make a 3D design of a beach, skiing resort or woodland park for example? What types of things will you put in it?</p>
<p>What would you like to do on holiday that you cannot do at home?</p> <p>Make a list of the amazing adventures you want to do/explore?</p>	<p>For the summer term we would like to create an in class holiday themed party after our SATs exams. Can you think of any holiday related food we could make/bring? For example if you have been on holiday in Spain, what Spanish food could we include in our party? Bring these ideas to your class teacher.</p>
