

Middlefield Community Primary School

Alderwood Avenue

Speke

October 2016

Dear Parents and Carers,

E-Safety is an important part of keeping children safe at Middlefield and so it is taught to pupils at a suitable age, in a way which explains and demonstrates how to stay safe and behave appropriately online. We can only be successful in keeping children safe online if we work with you. Your help is needed to reinforce the lessons about how they can keep themselves safe and behave appropriately online. It is important that we are all vigilant when children are using the internet and act to ensure they are protected from people who may pose a risk to them. Children can accidentally or deliberately be exposed to illegal, unwanted or unpleasant content, comments or activity and there are steps we can all do to minimise the risk.

Please check the 'Stay Safe' section found in the 'Children's Area' on our school website. This page shows the SMART rules that we follow in school and also has a link to the NSPCC 'Share Aware' site.

Please be kind enough to discuss the attached rules with your child and return the pro forma slip below as soon as possible.

Yours Sincerely,

Mr D. Potter

Headteacher

Middlefield Community Primary School

Responsible use of the Internet

Name of the Pupil.....

I agree to observe the school rules when using the Internet.

Signed.....

Date.....

.....

Name of Parent/Carer.....

I have discussed the school internet rules with my child and will support the school in enforcing them.

Signed.....

Date.....
