

Rules for Responsible Internet Use in School

These rules will keep you safe and help us be fair to others.

I will only use the Internet when I have been given permission and an adult is in the room

I will not open other children's files

I will use the computers only for schoolwork and homework

I will not send an E-mail to anyone until my teacher has approved it

Any messages I send will be polite and responsible

I will not give out my surname, home address, telephone number, or any other information about myself or my family

I will let a teacher know if I find any unpleasant pictures or writing. What I tell the teacher will be in confidence

I will not attempt to access any social media sites while using the internet

I understand that the school will, from time to time, check the computer files
