

## Home Learning for Year 3

Sunday 15<sup>th</sup> November 2020

Dear Parent/Carer

As you know, unfortunately your child is required to self-isolate and cannot return to school until Monday 30<sup>th</sup> November. This sadly means that your child will miss 14 days of school.

However, we will be providing online and distance learning to try to lessen the impact upon your child's learning. Your child has a home-learning pack that contains work books, whiteboards, paper, stationery etc.

Tomorrow we will also deliver devices to those parents who completed the recent survey of IT needs and indicated that they needed to borrow a laptop/tablet. These need to be returned on Monday 30<sup>th</sup>.

The work packs contain Maths, Grammar and Comprehension books and your child should complete one of each of these activities each day.

Beginning on Tuesday, a teacher will host 2 live lessons each day- English and Maths, via Google Meet. You will need a gmail or goglemail account to access these.

The codes required to join the sessions will be text to you on Monday

In addition, work will be set daily on MyMaths, TT Rockstars and Oxford Reading Owl. Your child has passwords for these.

School will also provide support for those children who are in receipt of Income Based Free School Meals, whilst your child is absent.

If you require any further assistance, please do not hesitate to contact the school office.

Kind Regards

Mr David Potter

Head Teacher
