School reopening to ALL children on Monday 8th March-

School Uniform

Wednesday 3rd March 2021

Dear Parent/Carer

We are really looking forward to having all children back together on Monday and I hope you have found the daily letters about our safety measures and arrangements useful and reassuring.

Today I would like to remind parents about the importance of **school uniform** when we return. This will be very important in helping children settle back into the routines of school. There is a long established link between uniform and high standards of behaviour, community cohesion, reduced peer pressure, reduced bullying and an increased work ethic.

School uniform is therefore compulsory and a link to our uniform expectations can be found here: <https://www.middlefieldcommunityprimary.co.uk/page/?title=School+Uniform&pid=16> . However, I also completely recognise that Covid has brought many financial pressures onto families, not to mention lockdown effecting our ability to get to the shops!

We are able to help with many items of uniform- cardigans, jumpers etc that have been kindly donated. These are all clean and in very good condition, so please do not hesitate to contact the office to ask for help. Children will not be disadvantaged by not having correct uniform when we return- but it is important that we try to resolve any issues quickly

We have been looking at options to improve the supply of school wear and make the process of acquiring uniform smoother for you. We have been in discussion with Ski Equip who already supply other schools in the area including St Ambrose, St Anthony of Padua and Much Woolton and we have made the decision make them a school wear supplier. The feedback from those schools regarding the uniform supplier is very positive- the quality of garments is good, prices competitive and the service and timely delivery of uniform items from Ski Equip has been very impressive. Uniform can also still be purchased from Laser school wear in Garston.

For now this is an online ordering and payment service only. Uniform will be delivered direct to school. Between now and **15th March**, please contact Ski Equip with your order. All orders received by then will be delivered to school free of charge before we break up for Easter on 26th March.

I would encourage you to place your uniform order via our dedicated online portal

<https://www.skiequip.co.uk/middlefield.html> or telephone order and payment 0800 970 2192.

Ski Equip have made all information regarding Middlefield uniform available on their website and are happy to answer any questions you may have regarding school wear. You can call them directly on freephone 0800 970 2192, via WhatsApp 07949030230 or email enquiries@skiequip.co.uk. You can also speak to the sales representative Steve Tiffany on 07791872980 with enquiries.

Please do not contact the school office with your uniform enquiries. Get in touch with the suppliers directly if you wish to place an order by 15th March.

As an additional **option** requested by the children on the school council, we have made an **optional** change to the school PE kit. Children may choose to wear a school hoodie and jogging bottoms for PE. They can attend school wearing this, rather than their uniform, on PE days or when they have an after-school sports club.

Kind Regards

Mr David Potter

Head Teacher
