

URGENT UPDATE REGARDING YEAR 1 CLOSURE

18th June 2021

Dear Parent/Carer

Children from Year 1 can end self-isolation with immediate effect.

Year 1 will also reopen after the weekend on Monday 21st June.

This is obviously great news, but we would like to sincerely apologise for the inconvenience and stress this has caused.

There was a communication problem which led us to have to close. The member of the bubble has not received a positive result and therefore we can thankfully reopen.

We look forward to seeing the children again on Monday.

Yours Sincerely

Mr David Potter
