

Year 6 Photograph Day- Thursday 20th May

Monday 10th May 2021

Dear Parent/Carer

I am very pleased to inform you that we have our school photographer coming into school next week- **for Year 6 only.**

We will have a Year 6 group photograph and individual photographs. Children will also have their pictures taken with any siblings in school. It has not been possible for us to have photograph day for the whole school as normal due to Covid restrictions in place- but hopefully this will provide year 6 parents with a final opportunity for school photos before secondary school!

Yours Sincerely

A handwritten signature in blue ink, appearing to read "Mr David Potter".

Mr David Potter

Head Teacher
