## **Home Learning**

Thursday 7<sup>th</sup> January 2021

Dear Parent/Carer

I hope that you and your family are safe and well.

We have now delivered over 70 laptops to families to ensure that all children can access our online learning. If any parents need further support with this, please contact the school office and we will do all we can to support. Children have also taken home learning packs containing text books, stationery, whiteboards and pens. If these have been lost, please let the school office know and we will arrange for replacements.

Teachers will take a daily register of children engaging with online learning to ensure that children are not falling behind. This also forms part of our safeguarding responsibility to children. Staff will make regular phone calls to those children and families not engaging in home learning to see if there are problems and if we can assist.

If you or your child is having any difficulty with home learning, teachers are available throughout the day via their ClassDojo page.

If your child is on the SEND register, or you have particular concerns about your child, Mrs Wood (SENCO) is available via email at [e.wood@middlefield.liverpool.sch.uk](mailto:e.wood@middlefield.liverpool.sch.uk)

Teachers are preparing engaging sessions and activities every day and we really hope that your child enjoys and benefits from our online learning offer.

If school can do anything to support you with home learning, please do not hesitate to contact us.

Stay Safe

Kind Regards
