

Closure of Year 4

Saturday 30th January 2021

Dear Parent/Carer

I am sorry to inform you that we have had to close the Year 4 bubble today. This is because a member of the bubble has received a positive test today. This means that anybody who has had direct or close contact with that member of the bubble, now needs to self-isolate for 10 days from their last contact. This also means that Year 4 will be closed until Tuesday 9th February.

The Year 4 area will now undergo a deep clean. There is no need for any further action for children in any other bubble.

Only members of Year 4 are required to self-isolate. Siblings and the rest of the household are able to carry on with normal activities, provided that the child from Year 4 does not develop symptoms. If this happens, please inform school as soon as possible.

Please let me reassure you that we are following clear **national guidelines**, and that all of our decisions are made in line with Public Health England and Liverpool City Council procedures.

Year 4 will have daily activities, support and guidance from their teachers online.

If you have any questions or concerns, please do not hesitate to contact the school office or our out of hours COVID service.

Kind Regards

Mr David Potter
Head Teacher
